

To whom it may concern,

I am pleased to write this recommendation letter for Javian Ng, who served as an intern at LFG during the summer batch of NOC 2023. Javian's time with our company was marked by an exceptional level of dedication, technical skill, and adaptability, which significantly contributed to the success of our development team and our projects.

Javian actively and passionately engaged in the design and implementation of website and product features. His enthusiasm for web development was evident in the high-quality work he consistently delivered. Javian's ability to write clean, efficient, and maintainable code using modern programming languages, such as TypeScript and React.js, was truly impressive. His contributions significantly enhanced the functionality and performance of our projects.

Beyond his technical proficiency, Javian made a valuable impact during our product discussions. He actively participated in these discussions, offering constructive feedback, and collaborating seamlessly with our design team. This collaborative spirit was instrumental in ensuring the quality and cohesiveness of our website, resulting in a seamless and visually appealing user experience.

Throughout his internship, Javian consistently exceeded our expectations and played a pivotal role in our development team's achievements. I have full confidence that his strong work ethic, technical prowess, and unwavering passion for web development will continue to serve him exceptionally well in his future endeavors. I wholeheartedly endorse Javian as an exceptional candidate for any professional opportunity.

Please feel free to contact me at shihongfoo@gmail.com if you have any further questions or require additional information about Javian.
